

Join us for the MWPHCC Meeting
Thursday, May 4, 2017
Holiday Inn of College Park
10000 Baltimore Avenue College Park, MD.

Meeting and Training Sponsored by

The T-4 Training begins at 6:00 p.m. and runs for 90 minutes.
Our Presenter is Mike Gavin, a Systems Engineering Specialist with REHAU.

This training will provide a fundamental understanding of where and how to use PEXa crosslinked polyethylene plumbing pipes for reliable delivery of potable water in residential and commercial applications.

Learning Objectives:

1. Understand the capabilities of PEXa crosslinked polyethylene pipe produced using the high-pressure peroxide method;
2. List the advantages of PEXa for plumbing systems;
3. Name the three most common PEX plumbing piping techniques;
4. Explain installation guidelines;
5. Discuss engineering information;
6. Recognize code approvals.

There will be some additional info on radiant heating and snow and ice melting if we have enough time.

7:30 PM - General Meeting & Complimentary Dinner

Everyone is Welcome!

Please RSVP to Sue Thompson at sue@mwphcc.org or 301-278-2962
